

John Paul Filippi

JP Recovery Foundation Golf Outing

THANK YOU!

FROM THE
JP RECOVERY FOUNDATION

BECAUSE OF **YOUR** SUPPORT

We have been able to:

- Fund several scholarships in our local community at both the high school and collegiate levels. The goal is to help students achieve their dreams.
- Support local initiatives such as:
 - Partnering with local businesses and non-profit organizations to provide sensory-friendly opportunities for the youth in our community
 - Provide lunch and recognition to our first responders and healthcare workers while supporting small and local businesses
 - Provide support to families who have experienced tragedy like JP's

- Your support has allowed for John Paul's complex medical and daily care to continue without fail. All of this while also being able to also assist other families in similar situations.
- Through your continuous donations, sponsorships, and volunteerism, we have been able to help more families than we could have imagined and it all starts with our annual JPRF golf outing!

**WE JUST WANTED TO
SAY THANK YOU...**

**We couldn't do it without
your support!**

@JPRecoveryFoundation

JP Recovery Foundation

On the Green and Off the Green, Helping John Paul and Other Families In Need!

The JP Recovery Foundation is dedicated to helping John Paul and families like his, who have experienced an unexpected tragedy in their lives. John Paul's kindness and caring personality drives us to make a difference in our community in his honor. We will continue to ask God to guide John Paul and all those families in similar situations.

JP Recovery Foundation Roots:

On January 24th, 2007, John Paul, a high school senior, was a passenger in a car accident where the vehicle lost control and crossed the median into oncoming traffic. The car was then struck from behind by another vehicle. From all of this, John Paul Filippi suffered a severe brain stem injury which led to him being in a coma for a short period of time. His current medical status has left him quadriplegic.

John Paul's recovery and continuing daily care has been long and challenging on him and his family. Part of the recovery process requires John Paul to be a resident of many different health care facilities and he has visited with many health care specialists. Although John Paul does answer questions with blinks or thumbs up, he does not communicate fluidly or consistently.

Immediately following the accident, in the Summer of 2007, John Paul's Dad and his friends, Mike Sisk and Brian Hulme, organized the First Annual JP Recovery Foundation Golf Outing to help with the many expenses and items not covered by insurance. The response was overwhelming and sparked the annual golf outing fundraiser that continues today.

Fast forward to today:

Thankfully John Paul is still alive, and his care and maintenance are able to be sustained through your generous contributions. His proper care includes: medical equipment, medical procedures, physical therapy, as well as 24 hour nursing care attendance to keep John Paul healthy day to day and we couldn't have done this without all of our supporters.

The JP Recovery Foundation's Goal & Mission:

Today, the JPRF is being led by John Paul's brother, Alex, and father, John, along with a committee of family, friends, and local business leaders. Our goal is to help John Paul and those people who find themselves in unique and challenging situations like John Paul and his family. We will continue to help those who need help for as long as there is support for our efforts and help them stay #StrongLikeJP. With every donation we receive, we are closer to helping another family in need, whether by donation, volunteerism, community action, and scholarships at local schools to pay it forward for all of the support we have received.

So, we begin another chapter of this inspiring story during this year's JP Recovery Foundation Golf Outing, as we tee it up again to help those who really need our support.

The JP Recovery Foundation will continue to be fueled by the strength of John Paul Filippi and by those like him. Your support is the machine that will keep this organization moving forward!

A note of gratitude from the Filippi Family:

**Thank you for taking the time to golf with us
today!**

Because of your support, we can help provide John Paul with the support he needs while also giving back to families in the community who have experienced similar tragedies.

It is because you you that we can continue giving others a reason to smile and stay [#StrongLikeJP](#), and for that, we can't thank you all enough.

Sincerely,

The Filippi Family
